Message from Mr. Huebsch - Principal

Hey Eagle Point Families! As another wonderful school year comes to a close, I want to thank you all for your partnership and support. Your involvement and commitment to helping your children learn and grow has been invaluable. The progress our students have made simply wouldn't be possible without your teamwork. While summer break is a time for fun and relaxation, I encourage you to keep those curious minds active! Read books together, take nature hikes, visit museums and parks, and have thought-provoking conversations about the things your child wonders about. Continuing to learn through experiences and exploration will give them a head start when we return in the fall. To our 3rd grade families - best wishes as your child transitions to Harvest Intermediate! We'll miss you but know you're prepared for new adventures. For everyone else, we look forward to partnering with you again next year at Eagle Point Elementary!

Medication Pick Up

Hello from the School Nurse! This is a reminder to parents/guardians whose child has medication at school. While we are able to send inhalers and epi-pens home in backpacks, all other medications will need to be picked up at school by a parent or guardian.

Medications can be picked up in the office on the last day of school until 3pm. The office will also be open from 8:00am-3:00pm on June 6th and June 7th for medication pick up, however, please call ahead at 608-842-6200 when picking up to ensure someone is available to assist you.

Medications that are not picked up by June 7th will be discarded.

Thank you very much for your attention in this matter. Please let us know if you have any questions and/or concerns.
