Bike To School Day Additional Details:

WES and HIS students and parents, please join us for a Bike Ride into Summer Event with Deputies and Officers!

On the morning of Tuesday, May 28th, law enforcement (LE) will meet students (grades K-6) from WES and HIS and lead them on a bike ride to school. Parents are encouraged to participate as well.

LE and students will arrive at Windsor Fireman's Park at 7:00am and the group will leave for school at 7:15am.

You may ride your bike to the designated location or drop off your bikes the morning of the ride. LE and students will only be riding to school, so please make arrangements to get your child (and bike) home after school. **We strongly encourage everyone to wear proper safety equipment, such as a bike helmet.** We will also have officers in squad cars to assist in getting students to school safely.
