

Driver Education

This activity is organized and solely sponsored by a recognized parent or community organization in support of the DeForest Area School District and not by the school district itself. It is recognized that the intent of the activity is to ultimately support students and families served by the DeForest Area School District. Permission to distribute this material has been given by the district.

Get on the Road to Success! Enroll in Our Driver Ed Program Today!

CESA 2 Driver Ed offers the best face-to-face and online learning options to fit your needs! Our online courses include two options: a guided Zoom course by an experienced driver ed (DE) teacher with a structured format or a completely online course that you can progress through independently. Our face-to-face or Zoom courses provide immediate feedback and a highly interactive educational setting. However, if you want to work at your own pace and on your own schedule, our completely online course may work best for you, with our DE teacher grading your work and providing feedback on assignments as you submit them.

For our Behind-the-Wheel section with every option, we meet you at your district high school to start and end lessons for a thorough set of six hours of behind-the-wheel instruction as well as six hours of observation with a DE teacher.
