

# Summer Help Needed

Renk Seed is looking for members  
to join our Summer Field Work Crew.

*No experience necessary — training is provided.*

## Job Duties

- Walk through, identify and remove rogue corn from production fields
- Complete pollinations in research nursery
- Detassel corn plots
- Other duties may include weeding plots and row tagging

## Desired Skills

- Reliability
- Attention to detail
- Positive attitude
- Ability to work outdoors in summer weather conditions for extended periods of time
- Age requirement: 12+

## Job Logistics

- Work starts in late June and typically continues through early August

*Applications available at [www.renkseed.com](http://www.renkseed.com) and the Renk Seed office.*
